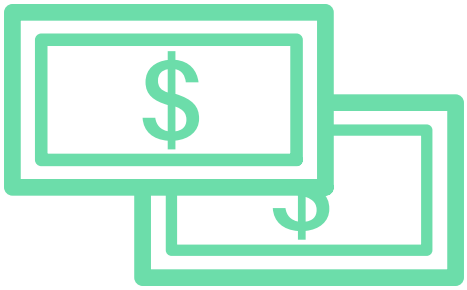
What is Money?



Hymn:

Opening Prayer:

Spiritual Lesson: What is Money?

Discuss with your family what is, and does. Explain the nature of money, and how to use it without letting money rule you. Discuss how managing money has strengthened your spiritual life, and family.

"Like the things of this earth, money is something we have been given responsibility for, something that can teach us sacrifice, discipline, and work. Learning to manage money wisely can increase your freedom, teach you eternal gospel principles, and bring peace and happiness into your life."
